Our taping vendor has onsite duplication capability and tapes will be available in the Foyer outside of the Hibiscus ballroom. Taping is a service that is offered, and is not an official part of PRAASA. When being taped, "...experience shows that it is best to encourage speakers not to use full names and not to identify third parties by full names in their talks. The strength of our anonymity Tradition is reinforced by speakers who do not use their last names and by taping companies or tapers whose labels and catalogs do not identify speakers by last names, titles, service job or descriptions." (From 'A.A. Guidelines – Conferences and Conventions')
